Vitality happens at many levels.

Knowing that every person is special in their own way is how we make a difference. From clinical programs for the body, to social programs for the heart and mind, you can rest assured your loved one will be comfortable and fulfilled – where vitality is the goal every day.

Long Term Care

Specialists in vitality
for living each day.

Genesis HealthCare® does not discriminate against persons in its admission, services, or employment on the basis of race, color, national origin, disability or age.

Designed with the whole person in mind

Genesis Long Term Care treats the whole person with a dedicated team of vitality professionals. The interdisciplinary team focuses on the overall health of our residents. We get to know each person in depth so that we can customize treatments according to their special needs, likes and preferences.

Clinical care professionals with a unique point of view

Because vitality is our focus, we see residents differently. Our fully licensed clinical professionals are constantly looking for ways to improve life and well being. As members of an inter-professional team, our physicians, nurse practitioners, nurses, and therapists are devoted to providing the utmost in attention and care.

Setting goals for improved quality of life

Setting goals is how we help our residents live proactively. Maintaining and improving daily functions is at the heart of all our treatment programs.

Our rehabilitation specialties include:

- Occupational Therapy
- Physical Therapy
- Speech Therapy

Staying involved and feeling a part of it all

Everyone has their unique joy. Whether it's leisurely walks, crafts, keeping up with a favorite team or visiting with friends and family, we keep things active. We also keep residents connected to the community with outreach and recreation for the mind and spirit. Our stimulating daily programs help make the most of every day.
